**St. Patrick Cathedral Roof Project:** The Cathedral church is the 'mother' church of the diocese, the church of the bishop, and all people in the diocese, in a way, are parishioners of St. Patrick's Cathedral. We invite everyone to join us in this important project for our Cathedral Church. The cost of a metal roof for the Cathedral is 2.2 million dollars. This will safeguard this sacred building for many years to come. Donations may be made directly to St. Patrick's Cathedral or on their website at [www.stpatrickscathedral.ca](http://www.stpatrickscathedral.ca). You can also join in the 50/50 Draw at

[www.stpatshat.ca](http://www.stpatshat.ca). Let us all be proud of our unique link to St. Patrick's Cathedral and together share in this important project. Thank you for your generosity.
