What is the message of this movie?

The Mass: An Introduction is a four-part series featuring Archbishop Rodi with Fr. Victor Ingalls, Dr. Norman McCrummen, and Dr. Allison Meyer.

Experiencing the fullness of the Mass begins with understanding not just the Mass, but worship itself. The series asks four questions:

~Why Worship on Sundays?

~Why a meal?

~Why do we worship the way we do?

~Why does the extraordinary come to us in ordinary ways?

Each segment is approximately 15 minutes. This video is ideal for the many Catholics, young and old, who are willing to rediscover a new way to understand and encounter Jesus in the celebration of the Sunday liturgies. The Mass is the summit and the centre of the Christian life.
