March 25, 2020

As of today, Wednesday March 25, 2020, the Catholic Pastoral Centre will be closed to the public until further notice due to the imposed rules of the Ontario Government.

We will be available if you require assistance from 8:30 a.m. to 4:30 p.m. by email at chancery@dotb.ca or by telephone at (807)343-9313.

All Parishes and public Masses in our churches are cancelled effective immediately until further notice. This includes weekday and weekend Masses. All church buildings will be locked during these times. It is unfortunate that we must do this, but it is for the safety of all, and until there is some clearance of this virus threat given to us from our health authorities and government.

St. Andrew's Cemetery Office is closed but is responding to telephone calls (343-9313) and email (cemetery@dotb.ca). The mausoleum is closed to the public except when there is an entombment, then only cemetery staff may enter.

We will continue to send out updates for the Diocese of Thunder Bay and our Parishes as more information is received.
