

PRACTICE DEEP SPIRITUAL READING AND PREPARE TO BE BLOWN AWAY

*"Oh beauty so ancient and yet so new, too late have I known you,
too late have I loved you."*

St. Augustine, Confessions

Read the writings of the saints and about the saints for spiritual fulfillment, knowledge, and inspiration. Here at the Pastoral Centre, we have a plethora of options available for your reawakening. During the month of November, I will be discussing the Universal Call to Holiness and featuring some books that will assist us in our journey to heaven.
