A Message from Bishop Colli: As the bishop I want to express a ‘thank you’ to all for following the pandemic guidelines and protocols for our churches, especially during this lock down I know it has not been easy, and I am sorry that I had to close our churches for this time. However, if we continue to work together we can lower the Covid numbers and reopen for Mass once again. Thank you for your support to our parishes, both emotionally and financially, during this uncertain time. Also I extend my thanks for your support to me, the bishop, and to my annual diocesan ministry campaign. As we enter 2021, we ask the Lord to guide us to an end to this pandemic, and to bless and encourage us to make sure we think of one another, and connect and reach out, as best we can, especially to our elderly and those who are living alone. May our families be stronger and more united, and may our generosity continue to guide us as followers of Jesus and as members of His Church. A Happy and Safe New Year to All!
