[A MESSAGE FROM BISHOP COLLI:](#)

My Dear Friends,

After our Easter celebrations, this past weekend, I would like to thank you for your prayers and for your support to your parish communities. As we continue in this provincial lock down in the Grey Zone, I remind you that our churches are open for Mass, but only with 15% capacity levels, so I ask for your patience during this lock down. Also I remind you that if you are feeling ill in any way, please do not come to Mass but participate through TV, live-stream or social media. In this way everyone is kept safe. All safety protocols remain in place in our churches, with the wearing of masks, hand sanitizing, social distancing and no social gatherings. With the distribution of vaccines, we are hopeful that we can overcome this pandemic, and one day in the near future, return to our full church services and ministries. Thank you once again for your patience and support. Let us ask the Lord to guide us safely through these uncertain times and may Mary, Our Lady of Charity, keep us in her prayers.

Sincerely,

Bishop Fred Colli
