October 2-8, 2022

At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths – especially society's most vulnerable. From October 2 to 8, 2022 we mark National Catholic Health Care Week across Canada, recognizing the important work of catholic health care organizations in our province and across Canada. Nationally, Catholic health care serves over 5 million Canadians each year and employs over 88,000 people. Our footprint is big. Our hearts are even bigger. And our belief that we are part of each other's journey, there to support and transform one another, is the foundation it's all built on.
