[Bishop's Diocesan Ministry Campaign:](#)

As we come to the final months of this year, 2022, I want to express thanks to all those who have already donated to our annual campaign, and I encourage those who have not yet donated, to consider responding generously to our annual campaign. We have highlighted the many needs for our diocese and we hope that we can respond to them in 2023 with this year's donations. I encourage our parish priests to speak about the importance of this diocesan campaign to their parishioners in order to fulfill their parish quotas. Thank you once again to all who have generously donated. Your support is greatly appreciated by me and the parishes who will be supported next year by these funds.

Bishop Fred Colli
