**SERVING THE LORD:** With the celebration of Divine Mercy Sunday this past weekend, we have begun my annual Diocesan Bishop's Ministry Campaign for 2024. The theme of the campaign is "Serving the Lord" where we recognize all the different ministries and outreaches in our diocese that assist parishes and people. Many people volunteer their time, talent, and treasure to assist others, and this is all done in response to the command of Jesus, that we "love one another" according to His example of service. My annual campaign has been responding to many needs over the years, and by helping and donating we have demonstrated the service of Jesus through our lives. As the bishop I am very grateful to all who share their gifts and talents and I look to the generosity of our diocesan family once again in this campaign, so we can continue that service and assistance to parishes, people and organizations who serve in the name of the Lord. May God bless you for your generosity.
