Bishop's Diocesan Ministry Campaign: We have begun our 2023 Campaign and the theme is "Serving the Lord". In this campaign we are recognizing the many works of charity that are done throughout our diocese and especially in parish communities. Information about this year's campaign is being distributed now and I ask that you please be generous in your donations. This money allows me, as the bishop, to see that these charitable works and the needs of the diocese and smaller parishes are met each year. Thank you for your past support and I ask you to once again consider our Diocesan Campaign as a priority for your donation list this year.

Sincerely,

Bishop Fred Colli

COVID: Now that many hospitals and special care facilities are lifting their requirements and restrictions concerning COVID, I ask that we all make an effort to return to our parish communities for Sunday Mass. The use of a mask will still be optional and there will be sanitizing stations at the doors of our churches and parish halls. Again, people with colds or flu, or those feeling not well, are asked to remain home and not attend Mass at this time until they feeling better. Most restrictions in our parish churches will cease shortly – but we will maintain a constant awareness, in case there are changes in the communities with the COVID issue. Thank you for your patience and understanding. We want all our facilities to be safe places for all our parishioners
