**Bishop's Diocesan Ministry Campaign 2023**: Thank you to those who have already responded to this year's campaign. Our theme is "Serving the Lord" and we are highlighting the many works of charity in our parishes and in our diocese. Information about this year's campaign is already in the mail. Your generosity helps me as the bishop, to respond to the many needs for assistance that come to my office each year, especially for our smaller struggling parishes. Thank you for your generosity.

**Returning to Sunday Mass**: With many of the restrictions for Covid now over, we are encouraging everyone to once again return to Sunday Mass with their communities. Our sharing of Sunday Mass together is very important for our faith life and the life of our parishes. All our facilities are safe places, and masks are still optional. People feeling unwell or uncomfortable, are asked to remain home until they are better. Your Sunday presence at Mass with your family is a most important part of being a Catholic in our world today and in order to be nourished by God's Word and the Holy Eucharist.

**Feast of St. Joseph the Worker**: Today, May 1<sup>st</sup> is the feast of St. Joseph the Worker. We ask St. Joseph to pray for all fathers, and for all workers, that they find fulfillment in all that they do.
