Let's take the Cursillo experience to the whole world!

St. Paul, patron of the Cursillo Movement, was a tireless evangelizer who never stopped moving worldwide to proclaim the Word of God. That is also the aspiration of the Movement today: to bring the experience of Cursillo to the whole world, to make it possible for many people in very diverse countries to encounter the Lord in a Cursillo Weekend.

For this reason, on the feast of the Conversion of St. Paul, on January 25, a worldwide campaign is launched to raise funds to bring the Cursillo to countries where it is not present, especially those in the African continent.

It is the "Project 3\$/3€": If every Cursillista, in every group, in every Ultreya, in every diocese, donated only 3€, we could help thousands of people to live the experience of a Cursillo.

Can you help us? Donate 3\$/3€ through these means:

- At the Ultreya of...
- By bank transfer to the account...
