National Catholic Health Care Week in Canada - February 2-8, 2025 Our 2025 theme "Caring for our Common Home" celebrates the interconnectedness of all creation and helps us to reflect on how our individual and collective actions and our systems—health, social, economic—can promote a healthy world where all can thrive. It emphasizes the integral connection between human health and the health of the planet, echoing Pope Francis' call to care for the earth as our common home in *Laudato Si*.

This year's theme is part of a national priority to mobilize the people of Catholic health in support of environmental stewardship. Webinar is open to all on Thursday **February 6** from 1300-1430h ET featuring some inspirational stories and helpful information.
